AICTE Sponsored
International Conference on
Challenges, Opportunities and Newer Directions of Pharmacovigilance and Clinical Research in India

5-6 January, 2018

Organized by
Parul Institute of Pharmacy
Parul University, Vadodara, Gujarat, India.

www.paruluniversity.ac.in
About the University

Parul University is an amalgamation of 30 Institutes managed by Parul Arogya Seva Mandal Trust and is recognized and approved by the Government of Gujarat under the Private University Act 2009.

Parul University is India's Premier Multi-Disciplinary University with over 250 Programs spread over 150 Acres of sprawling lush green campus. It houses 28000+ students who are guided and taught by 2500+ Faculty Members which comprises of over 109 Faculty from Nationally Reputed Educational Organizations such as IITs, NITs and IISc.

Global Exposure is at prime focus, with over 700 Full Time Foreign Students from 48 different Countries pursuing their education in various streams and more than 25 MoUs with International Universities for various academic exchange programs.

Modern infrastructure and amenities are the major highlights, as the University offers Hostel Facilities for 7000+ Students with access to well equipped Gymnasium, Swimming Pool, Open Air Theater, Sports Complex, etc apart from imparting quality education and training.

At Parul University, Diploma, Under Graduate, Post Graduate and Doctoral Programs are offered in Engineering, Design, Management, Architecture and Interior Design, Ayurveda, Physiotherapy, Homoeopathy, Pharmacy, Nursing, Applied Sciences, Library Sciences, Social Work and Vocational Education.

Awards and Recognitions define the direction of the university. Industry niche and avant-garde’s foresightedness in participating for National Survey and Award process is quintessential. Hence, at Parul University, we participate in numerous surveys and have over 38 awards and rankings during the past three years which are testimony to the quality of education we render.
About Parul Institute of Pharmacy

Parul Institute of Pharmacy was established in 2004. The institute is approved by the All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi and recognized by the Government of Gujarat. The institute was accredited by the National Assessment and Accreditation Council (NAAC) and the National Board of Accreditation (NBA), manifesting its commitment to provide quality teaching-learning and research.

The institute is housed in sprawling lush green campus with an imposing building and most conducive atmosphere for academic excellence. The state-of-the-art infrastructure and instructional facilities of the institute includes well-equipped laboratories, voluminous library and spacious lecture halls. Parul Institute of Pharmacy is amongst the top ranking institutes in Gujarat. The Institute has grown impressively in both size and reputation and has become the preferred choice for many among all other self-financing institutes.

At Parul Institute of Pharmacy, we provide our students with distinguished knowledge and top class facilities to meet the highest benchmarks. We have well experienced and learned faculty, scholastic curriculum, diverse educational exposure and various on-campus facilities which collectively focuses on all round learning experience and rewarding opportunities for the students.

The students are also provided a diverse platform which enables them to enhance their skills and overall personality to succeed as talented professionals in today’s dynamic world.

Courses Offered:

B. Pharm, M. Pharm (Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance), Pharm.D, Pharm. D (Post Baccalaureate), B. Pharmacy (Practice) and Ph.D
About the City

Vadodara formerly known as Baroda is the third largest and most populated city in the Indian State of Gujarat. Famous companies such as Sun Pharma, Alembic, ABB, Reliance Industries, Schneider Electric, Larsen and Toubro, Collabra, General Motors etc. have a strong presence in this city along with IT multi-national companies. Due to its rich cultural traditions, the city is referred to as Sanskari Nagari / Cultured City. It is well connected by Air, Rail and Road. The city is on the major rail and road arteries joining Mumbai with Delhi and Mumbai with Ahmedabad. Due to this, Vadodara is known as Gateway to the Golden Qadrilateral. The recent decision of CII is to develop Vadodara as “Knowledge City.”

About the Conference

We at Parul institute of Pharmacy promote research by organizing such interactive and informative Conferences / Symposiums / Seminars / Workshops / FDPs, etc by inviting eminent National and International speakers, where exchange of thoughts and knowledge encourages the students and faculty towards research.

This international conference will facilitate the delegates to learn newer horizons of clinical research, a branch of health care science that determines the safety and efficacy of medications, devices, diagnostic products and treatment regimens intended for human use. The Pharmacovigilance Programme of India (PvPI) started by the Ministry of Health and Family Welfare, Government of India will help to monitor the effects of marketed drugs especially to identify and evaluate previously unreported adverse reactions in Indian population. The conference will promote and strengthen the spontaneous reporting amongst medical / paramedical and pharmacy professionals. The expert sessions will help the delegates to become conversant with the newer career prospects and horizons in the profession.
Thrust Areas

- Preclinical and Clinical Trials
- Drug Discovery and Development
- Regulatory Updates on Drug Safety in India
- Pharmacovigilance Programme of India (PvPI)
- Developing Pharmacy Practice: A Focus on Patient Care
- Pharmacogenomics and Pharmacoeconomics

Target Audience

Persons working in any of the following sectors can be the participants.

- Clinical Research Organizations (CROs), Site Management Organizations (SMOs), Research Site (Medical Research Centers/ Multispecialty Hospitals).
- Pharmaceutical Industry
